

ADVENTURES IN 3D!

Unplug the video games and connect with furry and feathered creatures that aren't just virtual. Spend an afternoon at Waco's 52-acre Cameron Park Zoo, nestled along the Brazos River – an oasis of natural wonder guaranteed to awe even the most tech-addicted kid. Go nose to whisker with Sam Jack, the resident lion. Stand a glass-pane away from gliding clownfish and craggy Komodo dragons. Hear bats flutter, get soaked by a practical-joking orangutan, and slide among frolicking otters.

Go ahead – power down and immerse your kids in a high-def, 3-D animal adventure they'll want to replay again and again.
