

IT'S NOT WHO YOU RIDE AGAINST IT'S WHO YOU RIDE FOR.

Fifty cyclists. Fifteen days. One incredible journey from the Sabine River to the westernmost edge of Texas. The Rise Across Texas Challenge will push its riders to extremes for a cause that's more than worth the sore muscles: to raise money for the Rise Schools of Texas. The not-for-profit Rise Schools provide the highest quality early childhood education services to children with and without special needs. Please join us to help the Rise Schools rise even higher.
